COMMERCIALIZING AQUACULTURE

"TAIPING T1, T2 & T3 FIRST CYCLE FULL HARVEST COMPLETED!"

Yet another great milestone for FDI, towards the end of 2020, FDI has completed 3 ponds full cycle harvest with total combine tonnage of 16,600KG on 3 ponds (T1 - 2December, T2 - 11December & T3 - 18December)!

"A word from our Chief Executive Officer" - STEVEN TAN

Great work to all FDI management team & Operation Team for their support and hard work to achieve this milestone.

"LAND ACQUISITION FROM PRIVATE SECTOR"

Over the past month , negotiation for 2 pieces of land , one in pantai remis and the other in pantai merdeka had been unsuccessful.

This shows us that the aquaculture business is still very much in demand and we will continue in search of land for our future expansion.
