		Total Harvest Quantity	10,026.30 KG

GOODNEWS

"A word from our Chief Operating Officer" - Kenneth Chew

With our newly improved feeding SOP, we are able to increase yield by **30%** with the same cycle time.

SHRIMP PRICE INCREASE TWICE IN A WEEK!

Shrimp price has increased by **RM 1.50** in the second half of October, based on the trend over the past **2 months**, we are seeing a healthy price recovery which will increase our revenue by **7%**.

GOODNEWS

“A DISRUPTION IN SEED SUPPLY”

There is a supply disruption in **October** from our main seed supplier due to technical issue, our order of approximately **5,000,000** seed has been postponed by more than a month.

To counter this threat, we've allocated **100%** of our orders in **October** and **November** to our second source, which is also a highly reputable hatchery.

UPCOMING MOVE BY FDI..

Our Taiping latest expansion is expected to complete by mid of **November**, the expansion, consist of **2** additional pond of **6000m²**, will produce an output of approximately **6.5** ponds / pond hence increasing our revenue by **15%**.
